Advisory for Emaswati Students Seeking Education in India

The High Commission of India, Mbabane wishes to alert prospective Emaswati students and their families about fraudulent practices by certain unauthorized agents and student associations claiming to act on behalf of and facilitate admissions to educational institutions in India.

2. It has come to our attention that unscrupulous persons are:

- Making false promises of admissions to reputed Indian universities
- Charging exorbitant fees
- Providing misleading information about admission procedures, visa requirements, and scholarship opportunities
- Submitting fraudulent documents on behalf of students

3. The High Commission strongly advises all prospective students to use only the **official Government of India portal** for accurate information and application procedures.

Study in India Portal: www.studyinindia.gov.in

This portal provides:

- Comprehensive database of recognized Indian educational institutions
- Transparent admission procedures and eligibility criteria
- Direct application facilities to universities
- Authentic visa and immigration guidance

4. Students and parents are advised to:

- Verify the credentials of any educational institution directly through the Study in India portal
- Apply directly to universities or through the official Study in India portal only
- Contact the High Commission for any clarification
- Report any suspicious activity or fraudulent agents to the High Commission
- Make any payments including fees directly to the University/ Education Institution only

5. For queries or to report fraudulent agents, please contact: High Commission of India, Mbabane
