INDIA MOBILE CONGRESS

INDIA MOBILE CONGRESS 2025

Leading the Next Chapter in Innovation

The 9th edition of the India Mobile Congress (IMC) is poised to be a landmark event, bringing together the brightest minds and leading innovators in the technology and telecommunications sectors. Scheduled from ***8-11 October 2025 at Yashobhoomi, New Delhi***, this year's edition promises to build on the legacy of its predecessors by fostering collaboration, showcasing cutting-edge advancements, and addressing the challenges and opportunities of a rapidly evolving digital landscape. Organized by the Department of Telecommunications (DoT) and the Cellular Operators Association of India (COAI), IMC 2025 will serve as a global platform for industry leaders, policymakers, and technology enthusiasts to explore the future of connectivity, sustainability, and innovation.

As we gear up for this transformative experience, IMC 2025 aims to inspire new ideas, forge strategic partnerships, and accelerate the adoption of next-generation technologies that will redefine how we live, work, and connect.

What Awaits you at IMC 2025?

India Mobile Congress 2025 will be more than another tech event— it will be a convergence of dreams, technologies, and aspirations shaping tomorrow's digital landscape.

Here's what's in store for you at IMC 2025:

Tomorrow's Tech Today

Discover the latest innovations across 5G, 6G, Artificial Intelligence, satellite communication, electronics manufacturing, quantum computing, and more. Witness product launches and technology demonstrations that will define the future.

Deep Dive Experiences

Engage with interactive showcases, and unique technology use cases that bring cutting-edge technologies to life. Explore real-world applications and future possibilities

Global Networking Redefined

From industry leaders and innovators to policy makers and investors, IMC 2025 brings together the entire tech ecosystem. Build meaningful relationships, discover collaboration opportunities, and expand your network with the people shaping tomorrow's digital world.

Visionary Thought Leadership

Gain fresh perspectives from global tech leaders, policymakers, and disruptors driving the future of innovation. Through keynotes, panel discussions, and workshops, stay ahead of emerging trends, policy shifts, and technological advancements that are shaping tomorrow's industries.

Business, Amplified

Unlock new opportunities for growth through strategic partnerships and investment possibilities. Explore collaborations that accelerate business transformation and position you for success in a rapidly evolving digital ecosystem.

Facilitating Collaboration

At IMC, we don't just showcase innovation in tech, but also in the ways you can network and engage with your clients and changemakers. This year at IMC 2025, we're bringing you new ways to connect with fellow tech enthusiasts.

IMC Socials

Here, conversations go beyond conference halls. IMC Social is a series of curated, informal gatherings that take place beyond the main conference hours. Set in relaxed, ambient spaces across the city, it's where conversations flow freely and connections happen naturally, because some of the most meaningful exchanges aren't always on the official agenda.

IMC Mixers

From telco equipment manufacturing to trust and privacy, our themed mixers bring together experts and enthusiasts in focused, high-energy formats, so you meet the right people and ignite connections that last.

Secretary, Department of Telecommunications, Government of India

Akash Ambani

Chairman, Reliance Jio Infocomm Ltd (RJIL)

Sunil Bharti Mittal

Chairman, Bharti Enterprises

Kumar Mangalam Birla

Chairman, Aditya Birla Group

CONFERENCE FLOW

Day 1

- IMC 2025 Inauguration
- Industry Keynotes
- Panel discussion on Green Telecom, XRAN, Telecom component & manufacturing, Circular Economy, Nuclear Energy Diversity 4 Tech, Autonomous Networks, Smart Gadgets, and Next-generation transport technologies
- Space Networks for Universal Connectivity Control
- International Buyer-Seller Meet
- State IT secretary round table

Day 2

- International 6G Symposium
- Keynotes
- Robotics for Good Youth Challenge
- Panel discussion on AI Data centers, Skilling, AI Data centers, IP laws and SEPs, Gen AI, Open API, Data Privacy, DPIs, Policy and Zero-touch regulation
- Sessions on AI and Sensing Applications, The Convergence of Computing, Connectivity, and AI, and AI Chipset
- Cyber Security Summit
- Industry CEO RT
- India - US Round Table

*The program is subject to change as it matures

Day 3

- AI for Good Summit
- Startup World Cup 2026 India
- Quantum Summit
- Cyber Security Summit
- International 6G Symposium
- Regulatory Conference
- Panel discussion on Global Frameworks for Spectrum and Standardization, 5G Use cases
- Analyst Session
- India - UK Roundtable
- India - Japan Round Table
- India - Russia Round Table
- IMC Awards

*The program is subject to change as it matures

The Startup Program

Aspire

Igniting the future of Entrepreneurship

Aspire at IMC 2025 is where bold ideas meet boundless opportunity. Designed to empower emerging startups, this program offers a dynamic platform to showcase innovations, connect with investors, and scale for global impact.

Aspire is not just a program—it's a launchpad for startups to scale, innovate, and thrive. By aligning with the IMC ecosystem, startups gain unparalleled access to resources, industry networks, and global visibility.

Startup Showcases:
Discover breakthrough solutions as startups present their innovations to industry leaders and potential investors.

Mentorship & Workshops:
Gain insights from experienced entrepreneurs and industry experts to refine your business strategy.

Live Pitches:
Present your ideas to potential investors, accelerators, and decision-makers in the tech ecosystem.

Networking & Partnerships:
Build connections with investors, corporates, and tech visionaries to drive growth and collaboration.
